Dear Sir,

We are in receipt of your enquiry for the supply of Hitachi EDM Wires and thank you for the same.

Please note we do not have stock of the wires at present. We expect our next shipment to be arriving only by the 2nd or 3rd week of May 2022.

We also wish to inform you that the prices of the new lot of wires have increased considerably due to the increase in the prices of the raw material - Copper and Zinc, increase in the USD to INR conversion ratio and also due to the increase in the Sea Freight Costs.

We can supply the wires only the next incoming lot of material. In case you are able to wait till such time, please let us know so that we can submit the quote for the same.

Regards

K.Kannan
