5. Quotation is valid only for the material specified in the enquiry.
6. Quotation is valid only for the material specified in the enquiry.

TERMS & CONDITIONS

1. This quotation and any order resulting from this enquiry shall be governed by our terms and conditions of contract and the supplier quoting against this enquiry shall be deemed to have read and understood the same. Where counter terms and conditions of business have been offered by the supplier, we shall not be deemed to be governed by those unless our specific written acceptance thereof has been given. No condition and terms notice of which has not been given by the supplier while submitting quotation will be considered by us if forwarded in subsequent correspondence.
2. Rates quoted should remain firm till completion of supplies if ordered. No revision in prices will be entertained once the quotation is accepted.
3. Specification: Material should be offered strictly conforming to our specifications. The deviation in specification, if any, should be clearly indicated by the supplier in his quotation. The supplier should also indicate Mark / Type No. of the material offered.
4. Material, on its arrival at our Factory, will be inspected and will be rejected if found defective / damaged / unsuitable / not conforming to specifications.
5. For material of weight type, weightments made at our weighing scales will be final and considered for payments.
