Dear Sir,

This is to bring into your kind notice that due to the ammonia prices are increased by manufactures in the market at present.

The increase in Ammonia prices is now too much to absorb and we regrettably have no choice other than to implement a slight increase.

Considering the above, we are compelled to increase the rates for Ammonia gas. The new price of Ammonia gas ₹ 102/- per kg will be from immediate effect.

Rest terms & conditions are the same as per old quote.

Please issue any further PO accordingly for the new price.

Regards & Thanks
