Inspection

You may depute your representative for inspection of equipment at our plant, before dispatch. However the expenses of your rep. will be to your account. In case of third party inspection, the expenses will also be borne by you.

Warranty

The equipment is warranted as being free from defects in materials and workmanship for period of twelve(12) months from date of shipment or nine(9) months from the date placed in service, whichever occurs first provided it is operated according to PSPL's reasonable/customary operating procedures.

Cancellation

a) Upon the agreed cancellation of a Contract the Buyer will be liable for payment for all work carried out by the Company up to the time it may be reasonable and practicable to cease manufacture. This payment will cover all costs plus a loss of profit contribution. The Company reserves the right to refuse to agree to cancel a Contract in which case the Buyer shall be bound to accept delivery of goods and to pay for them.

b) Orders are only accepted subject to the satisfactory credit status of the Buyer, and the Company reserves the right to terminate the Contract should the credit status of the Buyer cease to be satisfactory to the Company.

Copyright

Any details disclosed in this communication and in our previous and any future discussions are to be treated confidentially and no sample, copy or statement appertaining to the subject matter may be discussed or disclosed to third parties.

Statutory variation

Our prices are exclusive of any additional levies/duties or special surcharges that may be imposed during the tenure of the contract by any State/Central Government or any other Competent Authorities. Any extra cost arising out of such fiscal measures or other statutory reasons would be to your account. Also, actual taxes & duties at the time of dispatch shall be applicable, in case they vary from the rates specified above.
