Make			DAIKIN Make
WARRANTY			Warranty 1 Year
M/s Jindal Scope			Lifting, shifting & Scaffolding charge Will be in M/s Jindal Scope
Remark			For Lower Side Job work Payment will be made at actual measurement certified By Joint Measurement at site

We have received PR for Ductable AC for our Tool Shop at Bhiwadi Plant and collected offer. Our Technical team has proposed to go ahead with Daikin Make due to better performance and extreme heat condition prevalent at Bhiwadi. Daikin is also installed in JAL, JINI and D/F and performing well compared to other Brand like Voltas/Carrier. Hence we have compared the pricing for Daikin Make AC and after negotiation, found M/s Pure Air as L1 supplier but they are not Authorised distributor for Daikin Make. Hence compared price between Daikin Authorised distributor and M/s Hindutan is L1 who will supply and arrange service from Guargaon. As these AC will be used in CNC Room, immediate service will be required which can be provided through local sources. Hence after discussion with Daikin, they advised us to go ahead with their local Bhiwadi Dealer M/s Continental who is marginally higher than other authorised supplier. Hence For approval to release Order on M/s Continental, Bhiwadi. The Indent has been returned for making necessary modification for selecting Daikin Make and PO will be released on receipt of Indent.
