Sh. AD Sir

We have one old lawn mower (Electrical) but this is very old. So many times I repaired it but it still doesn't work properly.

As per Discussed with Mr. DK Sing (JNI Bangalore) he suggest to purchase the

**Honda Petrol Lawn Mower HRJ 196, 163cc Approx cost is Rs. 55.0 K**

requested that you please approve the new lawn mower for our garden grass cutting.
