Remarks by Import Department :- This is OEM requirement & we received offer from OEM, M/s. Mei Ruey Industrial Co. Ltd directly. These valves and CAP are specially made to suit with the Circuit Plate of MEI RUEY. We got the alternate offer from M/s. LCS Precision, Taiwan without the cap but the user team denied to get the material from other source & advised to go with OEM only because of suitability. On further repeated price negotiations they accepted to offer 15% as Final discount. In view of the above, we may have to place the order to M/s. MEI RUEY Industrial to get correct spare for our machine. Indent value is to be enhanced as per this OFS.
