**Subject:** RE: NEW PC REQUIRED FOR SCADA

Dear Sir,

As we have removed the graphic card and monitor, so the CPU cost is now approx. 80K only. It is now within the approval range.

@Naveen Mittal Pls indent the PC now.

Warm Regards

**Vikram Jeet**

Dear Sir,

The old PC is very slow checked with IT team, So we have decided to go with i7 PC. We have taken the trial, the result is good.

For approval pls.

Warm Regards

Dear Sir,

I7 PC arranged by IT team for trial purpose; The SCADA works very fast. The single PC will be used for all three presses.

Pls find the trial link with i7 PC.

**Subject:** RE: NEW PC REQUIRED FOR SCADA

Dear Sir,

Our old SCADA PC system (i5) performance is very slow, and we have planned to use single PC for all 3 presses with high end configuration. The following configurations are suitable for us. The old i5 system will be hand over to IT dept.

Kindly approve new i7 PC with below configurations.

Warm Regards
