Dear Mr. Shyam,

As per the discussion with [@Vinit Jha](#) sir & technical team,

Similar profiles are already extruded in 6005 alloys for Tata Solar customer last time. We extruded these profiles in 6005 alloys in the DP2 press. However, the Same press capability of BP3 is available in the Bhiwadi plant, Based on this, We can accept these profiles in the 6005 alloys, In case the Bhiwadi team encounters any issues during the extrusion process, Please contact the VJ sir.

[@Vipeel Rambhal](#):- Please recirculate for a quote.

Thanks & Regards

Dear Veep.

We should not make general statement. Pl avoid making such type of statement. Mr J N Rai was on leave in the last week. Anyway we will see to meet the timeline.

@ Mr Jn Rai Ji – What is the issue ? Pl clear it today. We have to meet the guide line . If any issue is there we must communicate to the concerned.

Pl close it today.

Warm regards
