General Terms and Conditions for Domestic Sale :

Price - Unless stated to the contrary, all our prices are Ex-works, Bangalore and do not include any Tax i.e. GST, Freight, Insurance or any other Levy, which will be charged extra at actual as applicable at time of effecting delivery regardless of the delivery period given in your Purchase Order.

GST - The current rate of GST is already mentioned overleaf which is subject to change depending upon Future Govt. notification. Any such revision will be to buyer's account.

Weight - Weight recorded at our factory scale will be final.

Length - Unless otherwise specified, materials will be supplied in 3658mm (12') length. Any specific length between 1-7 meters can be supplied without any extra charges provided 10% short length of 1 meter and above are accepted. If a 100% material is ordered in any specific length other than 12' cutting charged extra as mentioned will be applicable. Minimum length acceptable in 1 mtr.

Interest Charges - Interest at applicable rate as mentioned overleaf will be charged if the documents are not retired/payment is not received within 5 days or as agreed from the date of dispatch of material/proforma invoice whichever is earlier without prejudice to other rights including the right to forfeit the advance, claims damages/losses and to dispose of the undelivered goods after waiting for 30 days, at

Tolerance & Specification - Unless otherwise agreed upon in writing, materials will be supplied as per IS Specifications. Any omission in the description of the material required shall not entitle the buyer to repudiate the agreement of sale or to claim damages. All Tolerance etc. will be maintained as per IS Specification.

Inspection & Rejection - Inspection, if any, should be carried out at our works prior to dispatch of material, our responsibility ceases as soon as we hand over the material to the transporter. Rejection, if any, should be intimated in writing within 10 days from the date of receipt of material at your premises or within 30 days from the date of dispatch whichever is earlier. No complaint will be entertained, if the same is reported after the expiry of this period.

Transit Insurance - We will not be responsible for any transit damage unless it is insured under our open policy, or you may insure yourself. Pl specify at the time of ordering if you want us to insure goods. Also note that claim exceeding Rs. 7500 or 2% of the value of the consignment whichever is higher will only be entertained by the insurance company.

Transportation - We reserve the right to dispatch the materials through any reputed bank approved road transporter or by rail.

Change of Order - Any alteration/cancellation pertaining to the Purchase Order should be intimated atleast 10 days in advance prior to the date of delivery. The buyer is liable for all losses incurred by the Company by way of such alteration /cancellation of the order.

Indemnify -The buyer shall indemnify the company against all damages/losses/penalties/costs/fees/charges/levies/expenses/claims/compensations etc in any manner whatsoever concerned to which company may become liable as a result of work done in accordance with the buyer's specification which involves the infringement of any letter of registered design/Trademark/Patents. Buyer shall further indemnify the company and shall be liable to pay an amount equivalent to the amount of material/goods mentioned in the identify Tax Invoice as liquidated damages on demand by the company for breach of any of these terms and

Demurrage - All demurrage charges incurred by reason for non-clearance of materials in time after the arrival of the same at the destination or for any other reason shall be borne by the buyer.

Warranty - No warranty expressed/implied/is given as the life of wear of the goods supplied/or that they will be suitable for any particular purpose or for use under any specified conditions notwithstanding that such purpose or conditions may be known to the company.

Jurisdiction - All contracts between the buyers and the company are deemed to be entered into at Bangalore and therefore are subject to the jurisdiction of courts at Bangalore.

General - Any order placed on us against this quotation implies that you have read and accepted the above terms and conditions. At the time of placement of order, the buyer is requested to furnish full details such as alloy & temper/chemical composition, physical properties, necessary drawing, sample component and end use for our suitable selection of raw material and process.

P6-12" container - The lead time for die development on P6-12" container will be 6 weeks from the date of Techno Commercial clear Order. We are running this container once in a month depending on order position. The trials will be taken during the schedule of running of 12" container after readiness of dies. Bulk order can be taken into production on the very same day along with the trials if we get immediate clearance after the trial. In case of no online/immediate clearance after the trials, then bulk production will be taken during the next schedule of running of 12" container. In case during the trial if there is any failure of any nature then further/retrial will be taken during next schedule of running of 12" container. Hence you are requested to plan & release your orders accordingly.
